

Aged Nuts, Bolts & Shavings #12

02 March 2018

www.hibiscusmensshed.co.nz

Your Team needs You!

All great teams need leaders and, like the All Blacks, we need to have replacements learning the ropes and assisting with the administration of our growing organisation.

From our rapid growth, and with the soon-to-start construction on our new permanent Shed, we need help in the overview administration to ensure we have sufficient management staff for all tasks.

Unfortunately, some of our Trustees find it necessary to relinquish the roles they have fulfilled – some since our inception – thus leaving room for new members to imprint their ideas, thoughts and style, and to assist in the future direction of our Shed.

New Trustees will, of course, be well supported by outgoing members and provided guidance when and as necessary based on their experiences.

The 2017/18 AGM is rapidly approaching and we need to have 5-plus members step forward and offer their services for these roles, otherwise our future is in jeopardy.

You are encouraged to complete the nomination form below (we will provide a seconder) and email it to one of the following. Should you want to discuss the opportunities through becoming a part of the managing team, please advise us and we will be happy to provide more information.

hibiscusshed@outlook.com or

hibiscussec@gmail.com

Please act NOW, so that you can join the Team in readiness to be part of planning the next stage and the development of our new build.

Ias a
paid-up member of Hibiscus Men's Shed Trust Inc am prepared accept nomination as
a*Trustee*..... for the 2018–19 year.
