Huge Milestone Gained

Following a long delay created by an objection by the Air Training Corps being received, the Auckland Council have agreed to grant land-owner approval for Hibiscus Mens Shed Trust to construct a "Mens Shed" building and sealed driveway with parking pad at Silverdale War Memorial Park. The Board of Trustees thank the Auckland Council and Hibiscus and Bays Officers sincerely for their help and support in this matter.

Stuart and Wayne sign the Lease

Next Stage is to finalise the building design and obtain quotes from the suppliers. Following on from this will be the massive job of raising sufficient funding to cover the cost of supply and build and work is already underway with this.

Setup funding available

Secretary Treasurer Wayne has a large smile on his face after receiving a Grant to cover the setup costs from the Hibiscus and Bays Local Board. We really are "ready to go" now and not hindered as we have been in the past.
