

Hibiscus Nuts Bolts & Shavings

NEWSLETTER NOVEMBER 2015

Well we are still busy and now have a logo provided by one of our members Mike Rather. Mike is a Graphic Artist trading as Wobbly Wedge Ltd. www.wobblywedge.com. Mike has solved that wobbly restaurant table leg problem, designing and manufacturing wedges to prevent this and other 'wobbly' problems, turning it into a steadily growing little business. Mike's carefully-designed and manufactured wedges can stabilise any table and much more.

Trustee vacancy

It was unfortunate to receive the resignation of our Treasurer. Steve Crilly has advised of his departure effective at years end.

Chairman Stuart would like to talk to anyone that could help in this area. Please phone on 09 424 7854

Help wanted

We have been given several Toy Kit-sets which need assembling and your help would be appreciated. If you have an hour or two and would like to give a hand contact Wayne on 09 441 1452.(see below)

Our database is continuing to grow and help is needed. Do you have web design or Desktop Publishing skills? again if someone could help please contact Stuart 09 424 7854.

Comment

Once our future site is secured, the next phases of finalising designs, costings and fundraising and ultimately fitting out will open up opportunities for more participation. In the meantime interest, comment and communication is encouraged.

Possible Building Site

Discussions with Council and Local Board have resulted in identifying several potential sites for our Shed, our preference has been identified and notified to Council and the process for obtaining a lease is underway. Our thanks to Hibiscus and Bays Local Board and Council Officers in facilitating this process.

Storage Facility

Our storage unit at Guardian Secure Self Storage is filling fast. Chairman Stuart receives calls weekly from residents wanting to make donations of all sizes from small bottles of screws to large engineering machinery. Storage space is tight and we are keen to continue to receive donations as space allows. So please talk to us.
